Your paragraph text

AUG 12-13 / LONG ISLAND NY

**25% OFF GENERAL
ADMISSION TICKET**

EENY25PS
USE PROMO CODE AT CHECKOUT

At Nassau Coliseum
10am -5pm
electrifyexpo.com/ny

Drive Electric Long Island has secured a discount code as shown above for attendees to the Electrify Expo taking place August 12-13, 2023 so don't miss it! Last year's event at Nassau Coliseum drew 12,000 people and 5,000 test drives were taken!

Come experience & demo your favorite electric car, electric truck, e-motorcycle, e-bike, e-scooter, e-skateboard, e-surfboard, e-foil and other electric brands. Visit fun interactive displays, learn about all things electric,

and take a test drive on one of the thrilling **demo courses**. Kids can check out the Kids Zone filled with electric go-carts, e-bikes + more!

Electrify Expo is a full day of electrified fun mixed with great food, drinks, music and more. This is an e-mobility party, and everyone is invited! Drive Electric Long Island will feature a booth and will be distributing information about the EVs at the show. Early bird tickets are \$14.99 per ticket.

Would your company like to host an EV 101 or Showcase?

Drive Electric LI is planning electric vehicle Showcases and “EV 101” events at local libraries, workplaces, and major public events.

- The Showcases include vehicle dealerships showing current vehicles on the market. Conveniently learn what models are available and which might best suit your needs.
- For in-person EV 101 presentations, EV owners bring their vehicles to ‘show and tell’ their story of their experiences as an EV owner.

Drive Electric is seeking host partners to offer these events. Please contact us at info@driveelectriclongisland.org to schedule an event.

NY State Incentives for Multi-Family Housing Chargers

Multi-unit dwellings that qualify as businesses can receive up to \$14,000 in rebates and tax credits on a two-port installation. These incentives can reduce the average project cost for a two-charger installation from \$13,600 to \$4,800. NYSEERDA's Charge Ready NY 2.0 is also now available- and offers a \$2,000 rebate on each charging port, for a rebate of \$4,000 on a two-port project.

Affordable EVs: 9 Electric Cars You Can Get for Under \$40,000

Several EVs in the \$30,000 to \$40,000 range are already out there now, and more are coming.
