[All events can be found on our events page here](#)

Get up to \$300 off a Residential Charger from PSEG LI

Qualified PSEG Long Island customers can receive a \$200 rebate off a qualified ENERGY STAR® Certified Level 2 EV charger. Customers located in Disadvantaged Communities or who are on the Household Assistance Program can receive an additional \$100 – totaling \$300 in rebates. An interactive map of designated Disadvantaged Communities can be found [here](#).

[Click HERE for information on how to apply.](#)

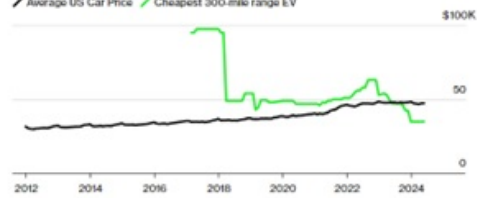

Long-Range EVs Now Cost Less Than the Average New Car in the US

"Darwinian" competition and a slew of new models helped electric cars with at least 300 miles of range reach another milestone in price parity.
