The State of EVs on Long Island 2025 Report is now available

PSEG LI Residential Charger Rebate

JOIN US FOR A
EV SHOWCASE!
TANNER PARK
COPIAGUE

SEPTEMBER 14
12-4PM

Stop by the Electric Vehicle Showcase at the Long Island Family Festival in Tanner Park on Sunday, September 14!

Chat with EV owners from a variety of makes and models—including Tesla, Hyundai, Toyota, GM, VW, and more—and get the real scoop on what it's like to drive an EV.

You'll find us in the Senior Parking Lot from 12–4 PM. Don't miss this chance to explore the future of driving!

THIS IS A FREE EVENT OPEN TO THE PUBLIC

Join Us

Sunshine, EVs, and sweet treats! Town of Babylon employees had a blast at our ride and drive event test-driving 7 electric vehicles and topping it off with ice cream.

A big thank you to our dealers Habberstad BMW, Security Dodge Chrysler Jeep Ram, Huntington Hyundai, Lucid and Tesla.

Drive Electric Long Island in the Community

Roosevelt Community Event & Car Show

What a day at the Roosevelt Community Event & Car Show! Big thanks to our volunteer, Michael Pitzer, who spoke with the Roosevelt Chamber of Commerce about the advantages of EVs.

Always great to connect with the community and spread the word about sustainable driving!

See details for all events on our [website](#).

Inside The State of EVs on Long Island 2025 Report

The State of EVs on Long Island 2025 Report is here! Our latest report is now available on our website, featuring the top EV dealers on Long Island, detailed charging infrastructure data, and a community-level breakdown of EV sales and usage across Long Island towns. Plus, get the latest on rebates and incentives.

Get up to \$300 off a Residential Charger from PSEG LI

Qualified PSEG Long Island customers can receive a \$200 rebate off a qualified ENERGY STAR® Certified Level 2 EV charger. Customers located in Disadvantaged Communities or who are on the Household Assistance Program can receive an additional \$100 – totaling \$300 in rebates. An interactive map of designated Disadvantaged Communities can be found [here](#).

Click [HERE](#) for information on how to apply.

EV News

New Study Proves EVs Are Always Cleaner Than Gas Cars

An electric truck with a 300-mile range emits 37% less CO₂ than an ICE-only small car over the course of its life, according to researchers.

Rivian's Hampton's Charging Outpost Is A Better Rest Stop For EV Drivers

Rivian's charging expansion continues, and not with a desolate plug in a parking lot. Its first East Coast Charging Outpost has snacks, restrooms and more.
