## The Hub for EV Savings on Long Island!

Long Island drivers can now explore current incentives, exclusive offers, and partner promotions on electric vehicles, all in one easy-to-find place. Whether you're ready to purchase your first EV or just starting to explore your options, the Deals Hub brings together the most compelling local opportunities to help you make a smarter, cleaner transportation choice.

Best of all, the Deals Hub is updated monthly, so you can keep coming back to discover new savings, limited-time offers, and the latest EV incentives available on Long Island.

# EV 101

Lutheran Church of our Savior

Learn the basics about electric vehicles and charging, and get the chance to speak with current EV owners about why they went electric and what it's really like to drive one.

**WED, JANUARY 14  
6:30-8:30PM**

**LUTHERAN CHURCH OF  
OUR SAVIOR  
231 JAYNE AVE,  
PATCHOGUE, NY 11772**

Join us for EV 101 at the Lutheran Church of Our Savior, located at 231 Jayne Ave, Patchogue, NY 11772, on Wednesday, January 14, from 6:30–8:30 PM.

This informative session will cover the basics of electric vehicles and charging, and attendees will have the opportunity to speak with current EV owners to learn why they chose to go electric and what it's really like to drive one every day.

# Explore Today's EVs

*at a Virtual EV Showcase*

Cabin fever? Curl up with a coffee and join Drive Electric Long Island to plan your next adventure in your new EV.

Learn about the incredible value and savings when you drive an EV. Did you know 9 out of 10 EV owners would buy an EV again? Come see why at our Virtual EV Showcase!

You can register [\*\*HERE.\*\*](#)

**Get up to \$400 off a Residential Charger  
from PSEG LI**

Qualified PSEG Long Island customers can receive a \$100 rebate off a qualified Level 2 EV charger. Customers located in Disadvantaged Communities (DAC) and on our Household Assistance Program can receive an additional \$300 – totaling \$400 in rebates. An interactive map of designated Disadvantaged Communities can be found [here](#).

Click [HERE](#) for information on how to apply.

## EV News

### **How Much Money Can You Save with an EV vs. a Gas Car? We Did the Math**

We looked at the total cost of ownership when buying a vehicle, which includes the outright cost of the car, plus maintenance, depreciation and fuel costs. After running the numbers, EVs are still a more cost-effective option than cars that use plain gasoline.

### **Cheaper Batteries, Cheaper EVs: The New Chevy Bolt Goes LFP, And So Do These Models**

Chevy's next-generation Bolt is switching to LFP batteries, cutting costs and boosting durability. Here

are the other EVs adopting the same technology.
